**The Battle Between Norway
and Sweden.**

On last Sunday afternoon oc-
curred one of the fastest games of
base ball ever recorded in the his-
tory of this city, when the Nor-
wegians defeated the Swedes by a
score of 8 to 5. Almost the entire
country as well as our citizens
assembled at the ball grounds early
in the afternoon as it had been
rumored for some time that the
Norwegians desired a few Swedo
scaps, and a league game would
not compare with the interest and
excitement that the coming of this
game seemed to create.

At exactly two-thirty the Swede
aggregation went forth and played
a game that was hard to beat as
they held the Norwegians down
fairly well from the beginning but
a neck seemed to be against them
and in a bad throw, three Nor-
wegians came tearing into home
plate and a hideous yell that
would arouse the dead. After this
they were held down until the 11th
inning when bad luck again play-
ed a prominent part, allowing the
Norwegians to run in score after
score.

The Swedes played a fine game
but as it was impossible to see the
ball and as they had few heavy
hitters they were unable to run in
the scores and most of the time it
was like a game of one, two, three
and out. But Sweden will not
give up so easily and another game
will have to be played to convince
them that they are not in it when
it comes to base ball.

NOTES ON THE GAME.

Jack Gillis did the catching for
the Norwegians and being broad
and tall he made the best backstop
that we have ever seen and not a
ball got by him at any stage of the
game.

Nelson was a whirlwind and
proved too fast for the Swedes.

Halvorson was fairly quiet but oc-
casionally he tried to bat the cover
off the ball and it took considerable
coaxing to induce him to strike
easily.

Every time Forsblad got the ball
he held it until all the ladies had
a chance to look at him.

Nels Becklund made a one base
hit which was the principle feature
of the game.

E. W. Hyde was the umpire and
that old story "hug the umpire"
was heard quite frequently.

The Editor was a Swede and
proud of it.

Shorty was the Swede pitcher
and he worked hard, but was a
good loser.

Herglund is a good base runner.
He never stopped for Doubt or any-
thing, and the rooters kept him
going.

Stanton was very docile on ac-
count of a certain young lady be-
ing present.

Sharff proved to be a fine Swede
back stop.

Clark is some ball player.

They always tell us that a newly
married man don't make a good
ball player but Knutson did fair-
ly well, considering.

It is reported that the game was
played for a case of "pop?" but
we have failed to see the goods
as yet.

Gen. Chamberlin did fine work
in making his dog, "Daniel", go
after the pass balls. It is reported
that a league catcher, who witness-
ed the game, made him an offer
of \$1,000 for the animal, but Geo.
declined.

Noah Becklund handled the ball
bat the same way he does the
paint brush and he got that it
would work. It would have been
impossible for him to hit a ball as
large as the school house.

Andy was compelled to entertain
the women folks, so he could not
play.

Dunc and Frank were there
with the "hug" alright
Templeton was busy all of the
time just waiting.

DeVault Doings

Mr. and Mrs. P. A. Lawson are the parents of a new son. They have named him Peter Archibald.

The wind and hail storm of last Thursday caused considerable damage to the grain on the flats. Mr. Supnick's barn was torn to pieces and lumber could be seen all over the prairie. Peter Grimm's barn was moved three feet, and different homes had windows broken. They all say they never had such a wind storm since they lived here, some of them being here for many years.

Relatives and friends of Mrs. and Mr. Ben Wing enjoyed a fine dinner and supper on Sunday. A better meal could not be prepared by any one as did Mrs. Wing. Anything that one could wish for was on the table and all did ample justice to the good things. In the afternoon Ice Cream, cake and peanuts were served.

Bert Olson arrived home from Dickinson last week. Bert has been sick and was advised by the doctor to return home.

Pauline Grimm and Earl Boyce were callers here on Tuesday.

Mr. George Cartwright of New Salem and his brother-in-law from Oregon went through this place to Raleigh.

Mr. and Mrs. Emerson Howard were visitors at the Ben Wing home a few days ago and while returning to their home the horses became frightened and ran away breaking the rear wheel. Fortunately neither were in the buggy, Mr. Howard tried to hold them but they pulled loose from him and hurt his arm. Mr. Wing took them to their home in Flasher the next morning. The team belongs to the Kreutz Bros.

On Friday evening June 2nd a merry crowd entered the home of Mr. and Mrs. Fred Grimm and completely surprised them on their first wedding anniversary. All took good things along to eat and enjoyed themselves. After the midnight lunch a slumbering party was had. All returned home early in the morning wishing Mr. and Mrs. Grimm many more happy anniversaries.

Don't Rent!

??????

We will sell you land cheaper than you can rent. If you are ambitious and willing to work the land we will sell you a good quarter on crop payments. You get one half of the crop and the other half you apply on the purchase price of the land. It's just like renting land excepting that when you have raised so much grain you get a Warranty Deed to the land and it is yours, while if you rent you rent you get nothing but a receipt and a chance to move to another rented place. If we didn't have faith in our land we couldn't and wouldn't sell it in this way. Write to us for further particulars.

Almont, N. D., June 12.—F. T. Halverson, cashier of the First State Bank of Almont and a close observer of crop conditions over Morton county, predicts a bumper crop this year. In his opinion if conditions remain normal up to the time of harvest but little rain will be needed in July to insure a record breaking yield. The wheat stands six inches high in most places over Morton county and the fields that were sowed during the first warm spell in March are farthest advanced.—Fargo Forum.
