Frank X. Todd in the absence of a constable, is kept busy serving papers for New Salem and Mandan attorneys. Friday he was at Glen Ullin looking after business for a New Salem lawyer.

Sunday last several young and would be bad men while under the influence of liquor, brutally assaulted another and only for the timely appearance of Tensus Ramsland, would undoubtedly have killed their victim. It is understood that warrants have been issued for the apprehension of the aggressors.

Fred Holritz left for Mandan on No. 8, Friday morning to look after some business matters. How long he will be absent is not at the present known.

There is to be a sociable, Saturday night at Sims, and a masquerade ball in the opera house in this place the same night, so the Shade of the immortal G. W. will feel it is at least remembered.

Up to date nothing has been positively learned as to the identity of the parties who entered the depot during the night last week and snatched two cases of beer. The report is current that a skeleton key was used to gain admission to the waiting room. Question who has a key of that description?

IT'S HARD TO WORK

It's torture to work with a lame, aching back. Got tired of it. Attack the cause! Probably it's weak kidneys. Heavy or constricting work is hard on the kidneys, anyway, and once the kidneys become inflamed and congested, the trouble keeps getting worse.

The danger of running into gravel, dropsy or Bright's disease is serious. Use Doan's Kidney Pills. It's a sure remedy for backache or kidney.

A Washington Case

H. H. Hatch, 218 Cedar St., Everett, Wash., says: "Severe pain in my back made me miserable. The kidney sections burned in place in 15 minutes. My back got so bad I could hardly work. After a few days I used Doan's Kidney Pills and was completely cured."

AS TO FLAVOUR.

Found Her Favorite Again.

A bright young lady told how she came to be acutely sensitive as to the taste of coffee:

"My health had been very poor for several years," she says, "I had a coffee and drank it for breakfast, but only I noticed by accident, as it were, that it was the cause of the constant, dreadful headaches from which I suffered every day, and of the nervousness that drove sleep from my pillow and decreased my stomach, that drinking I also gave me acute pain. (This is just as injurious, because it contains caffeine, the same drug found in tea.)"

"My condition finally got so serious that I was advised by my doctor to go to a hospital. There they gave me what I supposed was coffee, and I thought it was the best I ever drank, but I have since learned it was Postum. I gained rapidly and came home in four weeks.

"Somehow the coffee we used at home didn't taste right when I got back. I tried various kinds, but none tasted as good as that I drank in the hospital, and all brought back the dreadful headaches and the 'stickle-over' feeling.

"One day I got a package of Postum, and the first taste of it I took I said that's the good coffee we had in the hospital. I have since drunk it ever since and eat Grape-Nuts for my breakfast. I have no more headaches, and feel better than I have for years.

Name given upon request. Read the famous little book, "The Road to Wellville," in plain, "There's a reason."

Postum now comes in concentrated, powder form, called Instant Postum. It is prepared by stirring a level teaspoonful in a cup of hot water, adding sugar to taste, and enough cream to bring the color to golden brown.

Instant Postum is convenient; it's uniform; and the flavor is in 50-cent (in 50-cent, 80 to 100-cent tin) 50-cent.

TRUCK GARDENING AND POULTRY RAISING

THESE, AS WELL AS OTHER MIXED FARMING BRANCHES, PAY IN WESTERN CANADA.

Truck gardening and poultry growing are two branches of agriculture in which the farmers near the main lines of the three transcontinental lines traversing Western Canada are much concerned. The abundance of sunshine during the long days from May to September and adequate moisture in the spring and early summer permit of a wide variety of crops. The soil is fertile and warm and is easily worked. Close attention to cultivation has resulted in record yields of all sorts of vegetable and small fruits which bring good prices in the cities and at the numerous railway construction camps.

Mr. Harris Olson, an Alberta farmer, came from South Dakota eleven years ago and homesteaded the first 160 acres in the township in 1902, which was divided between grain and pasture. He earned sufficient money to buy a quarter section of railway land at \$11 an acre. The half section netted proportionate profits and he gradually increased his holdings to 1,500 acres, which was devoted to mixed farming last year. It values his land at \$50 an acre.

Mr. Olson markets from 100 to 125 hogs and a similar number of beef cattle each year. He has 200 hogs, mostly pure bred Duroc, 25 head draft horses and 35 head of pure bred Hereford cattle. In feeding barley to hogs he estimates that the grain nets him 80 cents a bushel, as compared with 40 cents, the average market price when delivered to the warehouse. His average crop of barley is 40 bushels to the acre, while oats average 80 bushels.

By writing any Canadian Government Agent, full particulars as to best districts on which to secure homesteads will be cheerfully given.—Advertisement.

Everywhere you look, walk or turn, you hear women and men talking—“YAAK,” “YAAK,” “YAAK” special. The Chicago beauty seekers have rushed about to get the latest beautifier called “YAAK.” Judging from their desperate effort in the department stores and druggists, that “YAAK” (special) is quickly gobbled up by the mad rush of women, and impossible to supply the enormous demand. “YAAK” is delicate, harmless, and fascinating to the skin, absolutely free from dangerous drugs. “YAAK” (special) is purely vegetable Herbs, Oils of Nuts, Lily-bulb Juice, Cerasine, Olive Oils and Coconut Chips, which give the face a healthful, glowing appearance. It is said to be the greatest preparation in the wide world to remove forever those ugly facial blemishes, and with amazement, makes the face soft-smooth, plump, and pearly-white. For those who have pimples, blackheads, and coarse pores of long standing will be astonished how quickly they can get rid of those homely features with “YAAK” (special). It never fails to give quick results. No samples given; the ingredients are special products. A large shipment of “YAAK” (special) reached Chicago, and it was quickly gobbled up in a few hours. Many disappointed women, failing to get it, left their names with cash for the next shipment of “YAAK” (special) expected in a few days. “Everything gone,” “YAAK” is all sold out,” “Will have more in a few days,” are the short answers from clerks.
