THE EAGLES' NEST

JANITOR
Mr. Olson

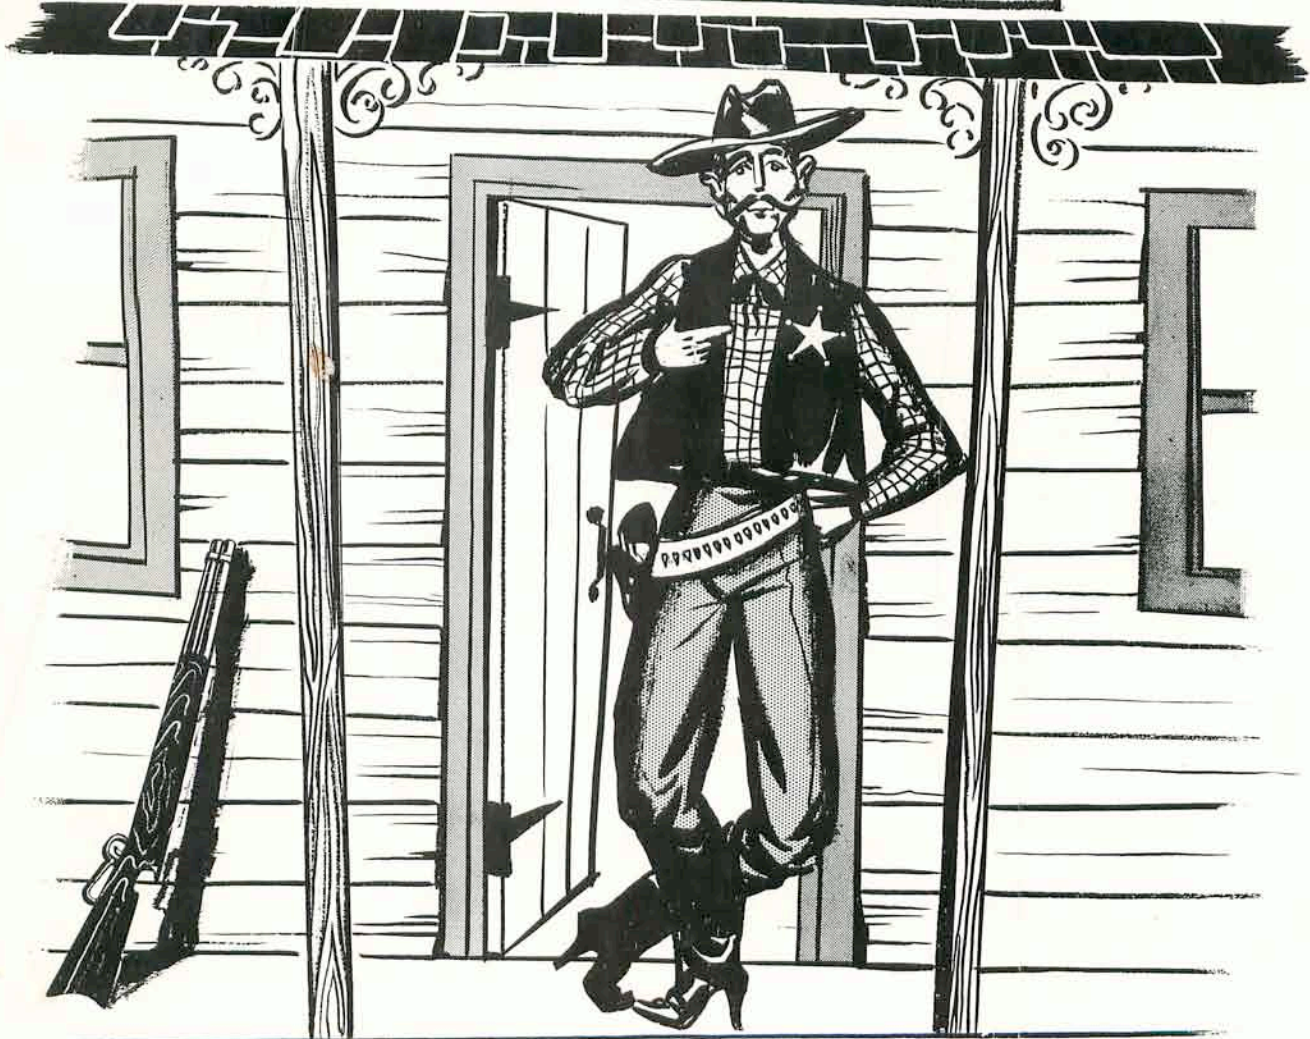

Dedication

The annual staff gratefully dedicates the 1952 "Eagles' Nest" to the Parent-Teacher Association. We wish to thank them for fostering better feeling and co-operation between parents and teachers and for the many things they have done to improve the school.

In the past few years they have given the school and the students basketballs, basketball suits, library books, phonograph and a loud speaker system with records, and many other things. This year the P.T.A. started the hot lunch program, and paid for the paint used in the remodeling of the gymnasium.

The members of the student body sincerely appreciate what the P.T.A. has done and hope it will continue the good work.

Class History

On September 6, 1948, fifteen green Freshmen came trembling into the high school. They were: Darlene Anderson, Dauphine Anderson, Roger Becklund, Gloria Hanson, Marold Halvorson, Ann Kary, Ethleen Kilen, Virgil Kilen, Joan Knudson, Adeline Larson, Ray Olin, Charlene Reef, Audrey Ritz, Carol Skjolsvick, and Shirley Timpe.

Our advisor was Miss Vendora Johnson. Our class officers were: President, Roger Becklund; Vice-President, Charlene Reef; Secretary-Treasurer, Adeline Larson.

Initiation Day, September 18, saw the Freshmen dressed in gunny sacks, men's garters and stockings and women's high heeled shoes. The worst part of it was wearing frogs around our necks. In the evening we were honored with a party, and somehow we lived through the day.

During the year, Marold Halverson left Almont and attended Dickinson High School.

At the beginning of our Sophomore year we missed some of our former classmates: Ethleen and Virgil Kilen, Carol Skjolsvick who quit because of illness and Ann Kary, who went to Glen Ullin High School. We were glad to see Marold back again from Dickinson and to welcome Johnny Weinberger from Glen Ullin High School.

The class officers for our Sophomore year were: President, Adeline Larson; Vice-President, John Weinberger; Secretary-Treasurer, Charlene Reef. Our advisor was Miss Frances Nelson.

This year, we had the privilege of initiating this year's Freshmen.

In 1950 when we were Juniors, Ann Kary returned from her year at Glen Ullin High School, and Eunice Klingensmith came from Ellsworth, Wisconsin. We also lost a member with Darlene Anderson leaving school. Class officers for this year were: President, Gloria Hanson; Vice-President, Charlene Reef; Secretary-Treasurer, Eunice Klingensmith. Our advisor was Mr. T. P. Lenhardt.

At the beginning of the second semester Audrey Ritz, Virginia Bond, Dauphine Anderson, and Shirley Timpe joined the Senior class.

Our Junior year was a busy year and full of many activities; our class play, "Drums of Death", which was presented on April 27, 1951 was a huge success. On May 5, we put on a banquet and prom. The theme was "Moonlight and Roses."

Now that we are "Mighty Seniors", our class roll has dwindled from fifteen to eight. Class officers are: President-Joan Knudson; Vice-President-Ann Kary; Secretary-Eunice Klingensmith; Treasurer-Roger Becklund. Our advisor is Mr. Holle.

On December 7 and 15 we presented our class play, "Quiz Me Again".

The members of the graduating class are: Roger Becklund, Gloria Hanson, Ann Kary, Eunice Klingensmith, Joan Knudson, Adeline Larson, Ray Olin and Charlene Reef.

Class Will

We, the Senior Class of Almont High School, realizing that we are about to pass from this world-of-school into a greater life, do hereby leave our last will and testament.

Individually we will some of our most cherished possessions and abilities.

I, Roger Becklund, will the back desk in the first row, which has been mine for the past four years, to anyone who is innocent-looking enough to keep it.

I, Ann Kary, will my dancing ability to Clayton Anderson and my curly hair to Jerome Hegel.

I, Gloria Hanson, will my towering height to Marshall Feland, and the rusty lawnmower I used for cutting my hair, to James Harper.

I, Eunice Klingensmith, will my long dark hair to Caroline Larson and my perfect attendance records to Jerome Hegel.

I, Adeline Larson, will my dimples to James Harper, hoping he will have as much fun with them as I have had. And my temper to Leonard Olson.

I, Charlene Reeffer, will my temperament in Basketball to Leona Monson, and my good times in the Pick-up to my brother Charles.

I, Ray Olin, will my hot-rod Ford to Ange Kary, and my height to Charles Reeffer.

I, Joan Knudson, will my ceaseless chattering to Shirley Kronberger, and my ability to waste time to Ange Kary.

Getting together we leave behind us a few more things.

We, Adeline Larson and Gloria Hanson, will our ability to get home at 9:30 to Clayton Anderson.

We, Ray Olin and Joan Knudson, will our ability to play Cat and Rat in English to Leona Monson and Ralph Feland.

We, Ann Kary and Eunice Klingensmith, will our Fire-Alarm Ability to anyone who needs it.

We, Charlene Reeffer and Roger Becklund, will our ability to get along as Neighbors to Caroline Larson and Charles Reeffer.

We, the Entire Class of 1952, will our orderly class meetings to the prospering Junior Class, our ability to get cars out of ditches to the Freshmen and Sophomores, our many Speech and History outlines (Which if used economically enough should keep the school building warm for at least five years) to the Janitor, and all our Senior parties to anyone who has a good enough sense of humor to appreciate them.

Senior Class Prophecy

On November 18, 1962, I was on my way home from California when the conductor suddenly shouted out that the next station was Glen Ullin. At once I decided to get off and look up some old friends before continuing my journey homeward.

First of all I thought I'd get something to eat. My attention was attracted to a dilapidated '47 Studebaker car sitting in front of the cafe and a group of noisy children wildly tooting the horn. To my surprise it was my former schoolmate, Charleen Reeff, now Mrs. Albert Duppong. Charleen said she was taking her children, Kermit, Ernie, Joel, Pete, Doloreses, Mitizie, and Blanch in to get some penny suckers. Charleen told me they now lived on a farm northeast of Glen Ullin and that she spent her leisure time milking about twenty cows and taking care of their three hundred chickens. I decided to stay there for supper that evening because Charleen told me she would take me to the Gateway to hear the Al Adams' Orchestra afterwards. A great surprise was in store. The feature number was a hula-dance by none other than Ann Kary, another former classmate. She and Adam also sang many beautiful duets with the band. When the show was over Ann and her husband gave me a ride to Almont.

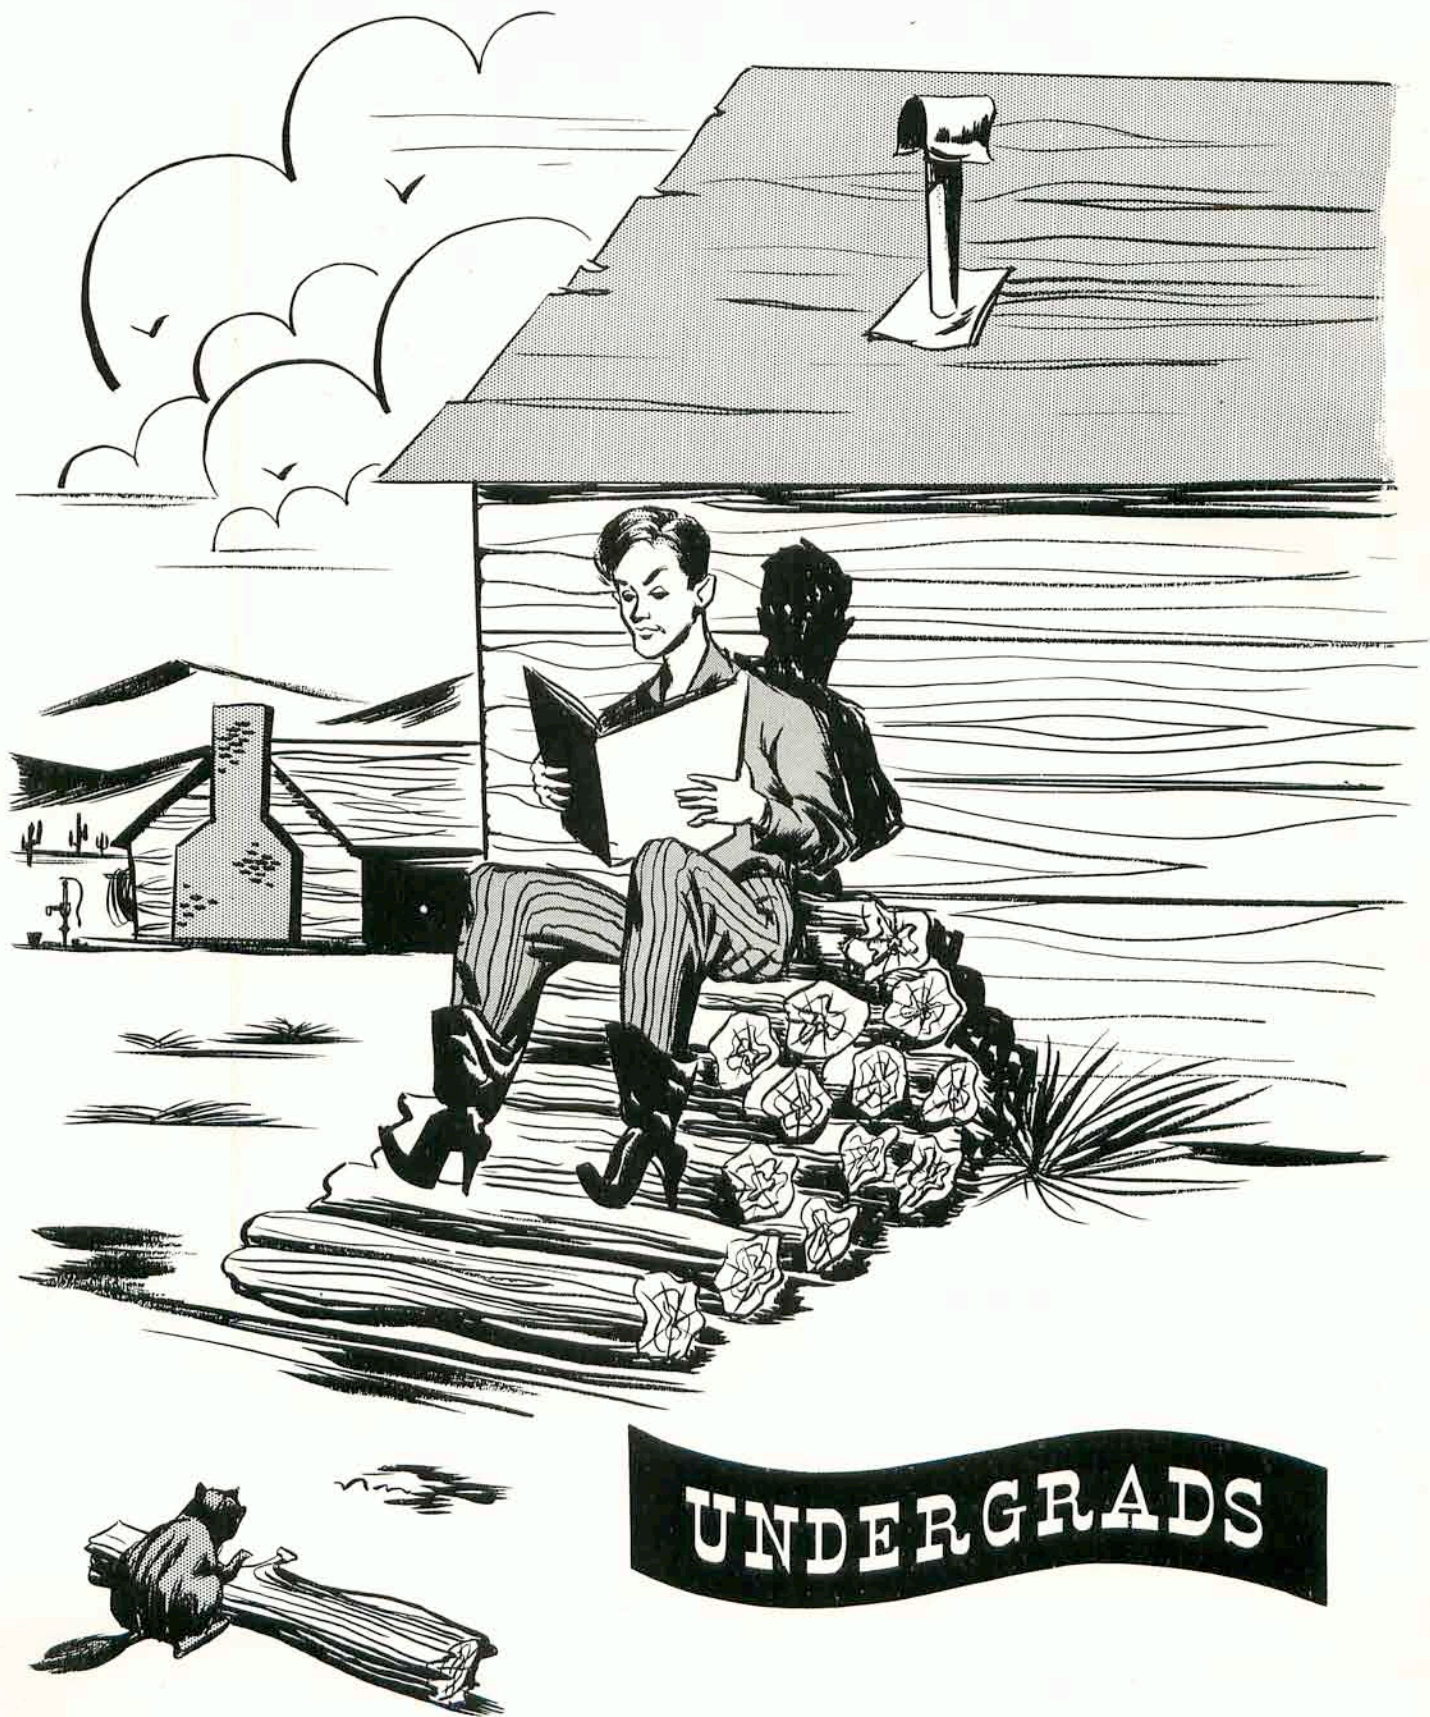

Arriving in Almont I registered in the Hotel Metropolitan, the owner being none other than my former classmate, Ray Olin. I spent a very restful night and the next morning enjoyed a delicious breakfast prepared by Ray himself.

I spent the morning visiting with another classmate, Eunice Klingensmith, who was now a very famous French Horn Soloist and had just returned from her European tour. Eunice was on her way to Bismarck for a concert so she gave me a lift to the Johnson farm. Here I found the new proprietors as Adeline and Duane Johnson. Adeline gave me a delicious dinner of Pork and Beans and Baloney. In her spare time she experiments with many new dishes in cookery. As they were going to make their weekly trip to New Salem that afternoon, with their cream and other dairy products, Adeline bundled her four children, Louis, Roger, Phillip, and Dallas, into the Chrysler and off we went. Our next stop was the New Salem Creamery where I encountered Joan Knudson. Joan told me she was leading a very busy life. Plus driving the milk truck and being all around helper at the creamery, she sang evenings at the Casa-Loma for the Kermit Hultgren-Frankie Carle Band, which had been in partnership for the past six years.

After leaving Joan, I went past the schoolhouse. As I looked at the building I thought I saw a familiar face looking out the window. I stopped and went in and sure enough it was Gloria Hanson. She told me she has married DuWayne, who now had the job of being Janitor of the New Salem School. When I asked her how she kept the schoolhouse so clean, she told me that her children, George, Dicky, Darlene, and Melvyn were so well trained that it was no trouble at all.

As I had now seen all my former classmates, I happily boarded the train for Minnesota to continue my position on the Minneapolis Lakers Basketball Team where I had gained world renowned fame. *How bad I could be*

"doctor" this up, too!!!

P. T. A. Carnival

On November 22, 1951, the P.T.A. Carnival was held in the school Gymnasium.

At the beginning of the Carnival, a musical program was held: the primary room, the upper-grade room, and the high school each sang a group of songs. Music and entertainment was also furnished by some of the townspeople. At the close of the program, Charleen Reeff was crowned Queen and Leanord Olson was crowned King by Mr. Holle.

We had various booths, and a Lunch Counter. A good time was enjoyed by all.

Initiation

On September 14, 1951, the Sophomores initiated the Freshmen. For initiation the girls were dressed as cowboys in the olden days with their shirts on backwards, cowboy boots about ten sizes too large. The boys were dressed in the new "1955" fashion, cotton skirts, wool sweaters, rope around their waists for belts, high heel shoes, and necklaces of onions and cucumber.

In the afternoon, the Freshmen paraded downtown to all the business places.

For the evening the girls were dressed in men's pajamas. The boys were dressed in ladies' night gowns and ladies' slippers. We played tricks on them, which was enjoyable for all but the Freshmen, who were very good sports. We spent the rest of the evening playing games. A delicious lunch served to end the evening.

Freshman Return Party

On October 18, 1951, the Freshmen gave the Sophomores a return party. A very enjoyable evening was spent playing various games and stunts. A delicious lunch was served by the Freshmen, and dancing followed.

Christmas Cantata

On December 22, 1951, the lower grades, upper-grades and high school had a "Christmas Cantata", in the school Gymnasium. All the students participated in "The First Christmas", which was the name we picked out for it. The lower grades and high school served as two choirs, and upper-grades taking the character parts of the cantata. Many of the community expressed their appreciation for this program sponsored by the music department of the school. Directors were Mrs. Klingensmith, Mrs. Netland, and Mrs. Kurle.

Roy Harrington is a young attorney, whose mother-in-law, Mrs. King, has never exactly approved of his marriage to her daughter, Arleen. Arleen is learning First Aid and practices on everybody she meets. She is going to a lecture in a neighboring city and hates to leave her young husband alone, so she induces Roy's friend, Dr. Bruce Douglas, to spend the night with Roy. On his way back home from taking Arleen to the bus station, Roy saves a mysterious young East Indian girl from being run over by a train. She is unconscious when Roy brings her home to see what Bruce can do for her. Both boys are amazed when the girl comes to and declares that because Roy has saved her life she now belongs to him. Henceforth he will be her "Master" and she will be his "Slave". The boys try to show her where this line of reasoning is all wrong, but in spite of their repeated efforts to get rid of her -she stays! To further complicate matters, Mrs. King arrives unexpectedly, and there is a nosey neighbor whose interference makes things much worse. It seems that the girl was deliberately thrown on the tracks. The would-be murderer makes an attempt on the girl's life, and failing in that, tries to kidnap her. In the darkness, however, he gets the mother-in-law instead! Then Arleen comes home and things really happen! Further complications are caused by Susan, the Harrington maid, and one funny situation tops another with such bewildering rapidity that the audience was almost in hysterics. The sudden and surprising conclusion is brought about by no other person than Mrs. King, who is instrumental in the capture of the would-be murderer and kidnaper.

The third quarter looked again like an easy victory for Center as they were leading 36 to 29 going into the last period. The Eagles came from behind, as they had all through the tourney, and with two minutes remaining were leading 42 to 40. They gained control of the ball with one and three quarter minutes remaining and started to stall out the remaining time. They found an opening with about ten seconds remaining scored to take a four point lead. They intercepted a pass and scored the final basket just as the final gun sounded.
