 ice Klingensmith.

HOT LUNCH PROGRAM

The P. T. A. has started a hot lunch program for the students whose lunch in school. Every day the menu is changed. The high school girls do the cooking while the lower grades wash the dishes.

Charts are kept by each room and at the end of two weeks each student pays according to the number of times he has eaten.

We wish to thank Mrs. George Kaelberer and Mrs. Robert Atkinson for sending Hot Dishes which were greatly appreciated.

-Ann Kary

SCHOOL GYM REPAIRED

A new paint job, a sanded floor, and a new dressing room for the boys' basketball team, make our old gym as good as new again.

Everett Olson, with the help of Norman Hanson, constructed the dressing room in the balcony. Most of the painting was done with a sprayer, although some volunteer brush painting was done. During the Physical Education Periods, the high school boys helped.

We wish to thank everyone who helped give the gym a face-lifting. We certainly are proud of it.

-Marshall Feland

KAELEBERER DONATED MIRROR

The boys' dressing room is finally completed, and hanging in the midst is a nice, large, mirror which Mr. George Kaelberer gave to them. They wish to take this opportunity to express their appreciation.

COMING BASKETBALL GAMES!

Febr. 5-----Leith-----7:30-----Here
 Febr. 13-----Center-----7:30-----There
 Febr. 15-----Fryburg*-----Here
 * Boys' game only.

ANNUAL MEETINGS

The "Eagles' Nest" staff has begun working on the 1951-52 annual. It has been decided that each class should have a bake sale and give the proceeds to the Annual Staff. The money will be used to purchase the necessary materials which will be used in assembling the annual. Also, each student will be charged \$1.25 for his annual. Individual names will be printed on the covers.

The photographer from the National School Studios, Bob Shelver, was here one afternoon during examination week. He took pictures of the Mixed Chorus, Basketball teams, cheerleaders, grade-rooms, and annual staff. Anyone will be able to purchase duplicate pictures if they wish to. Mr. Holle is in charge.

-Romona Zemple

DISTRICT TOURNAMENTS

The boys' and girls' Class C. Basketball tournaments will be held at Mandan in the World War Memorial Building, February 20 and 21.

There are five teams who will participate in the event. These are: Solon, Center, Selfridge, Leigh, and Almont.

SEMPETER EXAMINATIONS

Semester Exams! How the words bring memories to every high school student. January 16, 17, and 18 were the days set aside by the state for the state examinations for the first semester. The entire high school spent Wednesday forenoon taking English examinations simultaneously, with the freshmen taking Orientation in the afternoon. The Psychology examination was given Thursday morning. The usual routine of tests was broken by groups doing some sleigh riding between sessions for exercise and fellowship.

Now we all begin work, study, and planning for the next group of examinations coming the last week of May.

-Mrs. Klingensmith.

TEACHER INTERVIEW.

Mrs. Kurle was born Evelyn Mae Bjugstad, at Burnstad, North Dakota, which is located in Logan County.

She attended grade and high school at Burnstad and went on to college at the State Teachers College at Ellendale, North Dakota.

She was married at Lismarck in 1936, and has one daughter, Sharon, who is in the Upper Grade room.

Mrs. Kurle's favorite food is Roast goose and she likes to embroider and crochet. Basketball is her favorite sport and Remona is the book she likes best. Her favorite song is the State Teachers College song.

There are twenty-two students in Mrs. Kurle's room. She has the first through the fourth grades. Her favorite subjects in school are reading and arithmetic.

Mrs. Kurle is a very good singer and she plays the piano nicely.

-Ann Stegmeier

PERFECT ATTENDANCE FOR SEMESTER

Three students in high school have perfect attendance for the past semester. They are: Eunice Klingensmith, Charles Reef, and Ange Lary.

JUNIOR CLASS NEWS

Audrey Anderson has returned from the West Coast and has resumed her studies once more at Almont High School. While out west, Audrey attended a school which had an enrollment of 2550 students. We are happy to see her back with us once more.

The Junior class has begun plans on their play which will be given in the Spring.

-Perpetua Doll

SENIOR INTERVIEW

Eunice Victoria Klingensmith was born at Cogswell, North Dakota, February 28, 1934. She has one brother, Joseph, who is now attending Wheaton College, Wheaton, Illinois.

She attended grade school at various schools in Oklahoma and Wisconsin. She spent her first two years of high school at Ellsworth High School, Ellsworth, Wisconsin. Her Junior and Senior years have been here at Almont.

During her high school days she has been active in many school activities. At Ellsworth she took part in the Future Homemakers of America, Glee Club, and Band. Here at Almont she was chosen Editor of the 1951 Annual and Assistant Editor of the 1952 Annual. She worked with the Eagle Eye Staff both years and has been Secretary of her Junior and Senior classes. She is also Vice-President of the Student Government this year.

Among the things she enjoys most are: Basketball, swimming, fresh strawberries and icecream, psychology, typing, sewing and reading.

For many years she has given enjoyment to people by playing her French Horn.

Her pet peeve is spoiled brats.

After high school she plans to go to college.

SENIOR CLASS NEWS.

The members of the Class of 1952 are busy making plans for graduation. We have chosen our class motto, colors and flower. Our motto is, "Before us lies the timber, let us build." The class colors are maroon and gold, and the flower is the rose.

The class has been divided into committees to write our history, prophecy, and will. We plan to have them finished soon.

-Eunice Klingensmith

PRIMARY GRADE NEWS

UPPER GRADE NEWS

as written by Maria Kary

by Mrs. Netland

The Primary room is going to have a rhythm band in school. The fourth graders are going to tonettes. Condon Knutson is going to play the piano.

The Doll children were snowbound over Monday and Tuesday, at their home. They came back to school Wednesday afternoon.

Jerry Joersz left with his Uncle for Fargo Wednesday afternoon. He returned home Monday afternoon.

The first grades have finished their "Tom and Susan" books. They have also finished "Happy Days".

The first and second graders are reading, "Hallo, David".

Glenda Anderson has come back from her trip and is attending Almont School again.

UPPER GRADE BIRTHDAYS

Larval Harper-----	Sept. 5
Dorothy Hoovestal-----	August 9
Duane Hoovestal-----	August 9
Ernest Kronberzer-----	April 24
Marville Schwemmer-----	August 26
Sharon Kurle-----	May 12
Janice Ritz-----	April 14
Larvel Anderson-----	June 8
Janet Feland-----	April 5
Alfred Anderson-----	October 12
Sharon Olson-----	Nov. 18
Donald Knutson-----	Sept. 30
Eugene Harper-----	July 6
Clara Doll-----	Dec. 31
Raymond Zempel-----	June 23
Milre Kaelberer-----	January 28
John Kronberzer-----	March 9
Romona Knudson-----	January 23
Marvin Ritz-----	February 27
Darrel Hoovestal-----	May 1
John Hegel-----	March 3
Jerry Nucke-----	Nov. 25
Dolores Kronberger-----	June 30

We are now in full swing of the second semester. In the 7th grade Agriculture class we have finished the fall term and are now working in the Spring term book, which deals with soils and plants. We have some nice exhibits on the "Parts of the Flower," "Monocots," and "Photosynthesis."

The 5th and 6th Hygiene classes have completed the study of the Ear and it's parts, and have also thier exhibits on the bulletin board. After the 7th grade completed the study of the Blood Circulation through the body, we had further discussion on it through the use of the projector. It proved to be very intersting.

For the 7th and 8th Grade Literature class we have combined "Stories of the West" and a "New Nation" for unit discussion.

Because this was Benjamin Franklin's birth-month hw was also included. The next study will be on Lincoln and Washington as February is thair birth-months.

The third Friday in January is Temperance Friday. We have set it off another week, as plans are being made in Health and English Classes for talks on "The Effects of Tobacco and Alcohol on the Vital Organs of the Body." There will also be a reading on the issue, "What teenagers should know about Narcotics."

The students having Perfect Attendance this six weeks are: Sharon Kurle Clara Doll and Ramona Knudson.

The students who received A's in spelling are: Janice Ritz, Sharon Kurle Janet Feland, Sharon Olson, Eugene Harper, Clara Doll, and Ramona Knudson.

Those who received B's is spelling are: Laurel Harper, Dorothy Hoovestal, Marvin Ritz, and Darrell Hoovestal.

ALMONT VS SELFRIDGE: Selfridge was just too good for the boys defeating them 61 to 32. The box score follows:

EDG'S OLSON'S EDG'S

THE EAGLE EYE

We wish Lavonne would tell us all about her love letter. It certainly sounded interesting.

Which did you enjoy the most, Caroline and Leonard, the game at Stanton or the ride up and back??

We wonder what Lewis will think or do when he gets those letters from four Almont girls that can't even spell his name???

As soon as you, Adeline and Roger, get pictures of those two Stanton students be sure and show'em to us. We're waiting.

Well, Ray, how is the New Salem hotel business?

Perpetua, have you recieved any more letters from a certain sailor?

We guess Rabbit hunting settle'd quite a few things-- eh Adeline?

Seems a certain New Salem boy has a mania to drive on Almont roads (or should we say ditches.) Its a good thing Almont girls know how to push cars out of snow banks.

We guess Joan should pay more attention to her footwear. Maybe she should wear four-buckle overshoes so that she can't lose them so easy.

Charlene, we all agree there's nothing like spending quiet evenings at home.

Some folks have been wondering what the seniors were doing the other night in the ditch by the school. The seniors seem to be 'mum' on the whole matter.

We hear Adeline has been a naughty girl which one is it? Duane J. or Roger E.

Seems as if Clayton has rather lost out. His class mate (Jerry) has taken over. How's it with you, Iona?

Gloria says she wishes the New Salem janitor would come down to Almont and take care of A.H.S.

Ralph: The school must be haunted!
Jerry: What do you mean, Haunted?
Ralph: Well, they're always talking about the school spirit.

Prorosal: A girl listening faster than a man can talk.

It's all right to be cautious, but even a turtle never gets anywhere until he sticks his neck out.

GET LUBE PLUS 4 WKS 1000 MILES

THAT THE TOTAL IS 1000 MILES

The inside of the cylinder is rough. The bearing surfaces of the crankshaft are rough. -----

The surface of the bearing is rough. -----
like this -----

In an assembled engine, they meet to start something
like this -----

When there is no lubricant, the rough spots on the metal surfaces tear at each other. Then the engine runs hot and wears out in a hurry.

So oil is put in the engine to lubricate it. When it is doing what it should, it keeps the metal surfaces apart

like this -----

In cold weather, starting the oil is thick and is scraped off. When the oil is hot, the oil is thin and runs off. Then the rough spots tear at each other.

LUBE PLUS is simply natural graphite ground down to two - one millionths (2/1,000,000) of an inch.

It is so fine it goes thru an oil filter and the jet. It sticks to the metal walls.

It is three (3) times as slippery than oil.

It is a solid so it does not run off.

It cures at four thousand (4000) p.p.s., so it does not wash off.

If LUBE PLUS is added with every oil change it sticks back on the metal as fast as it is worn off.

So the engine runs with less power and lasts longer.

That is why LUBE PLUS SAVES YOU MONEY
